

# CURRICULUM VITEA

<p>NAME: <b>Kamga Fouamno Henri Lucien</b></p> <p><b>Date / Place of Birth:</b> 18<sup>th</sup> April 1966 In Bafoussam, Cameroon</p>		<p style="text-align: center;">POSITION TITLE <b>Associate Professor,</b></p> <p style="text-align: right;"><b>Contact :</b> Email: khenri@foad-eod.net</p>
---	---	---

## ACADEMIC ACTIVITIES

### EDUCATION/TRAINING

INSTITUTION AND LOCATION	DEGREE	MM/YY	FIELD OF STUDY
Government Grammar school, Bafoussam, Cameroon	Baccalaureate	07/1984	Mathematics, Physics, Biology
University of Yaoundé, Cameroon	BSc	07/1988	Biology & Physiology
University of Calabar, Nigeria	MSc	06/1993	Medical Microbiology
Associated Data System, Calabar, Nigeria	Diploma	12/2000	Computer Science/Data processing
University of Calabar, Nigeria	PhD	06/2001	Medical Parasitology
London School of Hygiene and Tropical Medicine, UK	Certificate	06/2003	Laboratory diagnosis of parasites
In Went Capacity Building , Germany	Certificate	12/2006	Research Management
London School of Hygiene and Tropical Medicine, UK	Diploma	06/2008	Travel Medicine
Wellcome Trust Genomic Centre, Hinxton, UK	Certificate	03/2008	Genomics and Molecular Virology
Institut Pasteur, Paris, France	Certificate	04/2008	Epidemiology and Biostatistics
National Institutes of Health Clinical Center, USA	Certificate	03/2015	Principles of Clinical Research Practice

### ACADEMIC POSITIONS AND HONORS

#### Positions and Employment

2001 –2002	Senior Instructor, University of Buea, Cameroon
2002 –2004	Assistant Lecturer, University of Buea
2004 –2011	Lecturer
2004 –2008	Head of Service for Admissions and Records. Faculty of Health Sciences, University of Buea
2009 –2013	Head of Service for Teaching and Research. Faculty of Health Sciences, University of Buea
2011 – Date	Associate Professor
2013 – Date	Vice-Dean i/c Research and Cooperation, & Head of Department for Medical Laboratory Sciences, Faculty of Health Sciences, University of Bamenda, Cameroon

#### Other Experience and Professional Memberships

2004-	Distinguished Author of the American Society for Clinical Laboratory Science (CLS, Volume 16, Number 3, July 2004).
2005-	Member, Senate of the University of Buea
2008-	Member, University of Buea Research Committee
2008-	Member, University of Buea Committee for Fight Against Corruption
2009-	Member, University Institutional Review Board
2013-	Member, Senate of the University of Bamenda

## **LIST OF PUBLICATIONS**

### **Peer- reviewed Publications**

1. **Kamga FHL**, Nkwelang G, Ejezie CG (2003): Health Education Strategy in the Control of Urinary Schistosomiasis. *Journal of the American Society of Clinical Laboratory Science* 19 (3): 139-141
2. Sab CF, Fossi M, Nde-Fon P, **Kamga FHL**, Atanga MBS, Njunda AL, McMoli ET (2003) : Follow-up case studies on immunological and virological responses to antiretroviral therapy in the management of patients living with HIV/AIDS in Yaoundé-Cameroon. *Health Sciences and Disease*:3
3. Nkeng GE, Nkwelang G, **Kamga FHL**, Antai SP(2006): An Optimal Model of Collecting Center Allocation for the Management of Municipal Solid Waste. *Environmental Science and Technology* 2: 59-65
4. Nkwelang G, **Kamga FHL**, Nkeng GE, Antai SP (2006): Recycling Agricultural Wastes to Produce Oil Dispersant: An Ecotoxicological and Bioremediation Perspective. *Environmental Science and Technology* 2: 92-97
5. Njunda AL, **Kamga FHL**, Ewang AA and Ekwi DA (2006): Malaria amongst children below 12 years in Tiko, Cameroon. *Journal of Integrative Medicine and Biomedical Research*; 2(1): 33
6. Nkwelang G, **Kamga FHL**, Nkeng GE, Antai SP. (2008): Studies on the diversity, abundance and succession of hydrocarbon utilizing micro organisms in tropical soil polluted with oily sludge. *African Journal of Biotechnology* 7 (8):1075 –1080
7. Akenji TNK, Sumbele I, Mankah EN, Njunda AL, Samje M and **Kamga HLF** (2008): The Burden of Malaria and Malnutrition among Children Less Than 14 Years of Age in a Rural Village of Cameroon. *African Journal of Food Agriculture Nutrition and Development* 8 (3): 252–264
8. **Kamga FHL**, Njunda AL, Assob NJC., Nde Fon P, G Nkwelang, Atanga MBS, Sab CM (2008): Impact of Health Education and Treatment Interventions on Urinary Schistosomiasis in School Children. *Advances in Disease Surveillance* 5:107
9. Njunda AL, **Kamga HLF**, Palle J, Mokube J, Assob JCN, Achidi EA, Akuro S, Mbuagbaw J and Ndumbe P (2009): Coliforms Associated With Bacteriuria In Human Immunodeficiency Virus (HIV) Positive Patients Attending The Bamenda Provincial Hospital. *The Internet Journal of Infectious Diseases* 7(2)
10. Nkwelang G, Keng GE, **Kamga HLF**, and Antai SP (2009): Effect of Crude Oil Effluent (Produce Water) on Brackish Water Fish and Microbial Growth in Aquarium Environment. *Pacific Journal of Science and Technology*. 10(2): 619-625.
11. Nkwelang G, Akoachere JTK, **Kamga HLF**, Nfoncham ED and Ndip RN (2009): *Staphylococcus aureus* Isolates from Clinical and Environmental Samples in a Semi-Rural Area of Cameroon: Phenotypic Characterization of Isolates. *African Journal of Microbiology Research* 3(11): 731-736
12. Assob NJC, Weledji EP, Njunda AL, Bolimo F, Asongalem EA, **Kamga FHL**, Achidi EA, Penlap BV and Ndumbe PM (2009): Bacteriological and mycological characterization of some pathogens of the urogenital tract in Buea subdivision (South West Region, Cameroon). *Health Sciences and Disease* 10(3): 10-16

13. **Kamga FHL**, Akuro SA, Njunda AL (2010): Relationships between Blood Cell Counts and the Density of Malaria Parasites among Patients at the Regional Hospital, Limbe. *African Journal of Clinical and Experimental Microbiology* 11(2): 120-137
14. **Kamga FHL.**, Assob NJC, Nde PF, Weledji, P and Chia PN. (2010) . The effects of antiretroviral treatment on liver function enzymes among HIV-infected out patients attending the Central Hospital of Yaoundé, Cameroon. *African Journal of Clinical and Experimental Microbiology* 11(3): 174-178
15. **Kamga FHL**, Assob NC , Nde FP., Weledji P, Chia PN, Akuro SA. (2010). Antiretroviral treatment and level of transaminase in HIV-infected patients attending the Central Hospital of Yaoundé, Cameroon. *Mary Slessor Journal of Medicine* 10 (1): 1-7
16. **Kamga FHL**, Nde Fon P, Weledji P and Akuro SA (2011). An Evaluation Study of the Sputum Smear Concentration Technique for the Laboratory Diagnosis of Pulmonary Tuberculosis. *African Journal of Clinical and Experimental Microbiology* 12 (1): 22-25
17. **Kamga HLF**, Njunda AL, Nde Fon P, Assob, JCN, Nsagha DS. and Weledji P. (2011). Prevalence of Septicaemia and Antibiotic Sensitivity Pattern of Bacterial Isolates at the University Teaching Hospital, Yaoundé, Cameroon. *African Journal of Clinical and Experimental Microbiology* 12 (1): 2-8
18. Njunda AL, Nsagha DS, Assob NJC, Palle JN, **Kamga HLF**, Nde Fon P, Mengang N, Ntube C, Weledji P(2011). Genital mycoplasmas in women attending the Yaoundé University Teaching Hospital in Cameroon. *Journal of Public Health in Africa* 2 (16): 68-71
19. **Kamga HLF**, Assob NJC, Njunda AL, Nde Fon P, Nsagha DS, Atanga MBS, Weledji P, Puinta DP and Achidi EA (2011). The kidney function trends in human immunodeficiency virus/acquired immune deficiency syndrome (HIV/AIDS) patients at the Nylon District Hospital, Douala, Cameroon. *Journal of AIDS and HIV Research* 3 (2): 30-37.
20. **Kamga HLF**, Nsagha DS, Atanga MBS, Njunda AL, Assob NJC, Nde Fon P, Fomumbod SA (2011). The impact of health education on the prevalence of faecorally transmitted parasitic infections among school children in a rural community in Cameroon. *Pan African Medical Journal. Research* 8(38)
21. Nsagha DS, Bamgboye EA, Assob JCN, Njunda AL, **Kamga HLF**, Bissek ACZ, Tabah EN, Oyediran ABOO, Njamnshi AK (2011). Elimination of Leprosy as a public health problem by 2000 AD: an epidemiological perspective. *Pan African Medical Journal. Review*; 4( 4)
22. Nsagha DS, Njunda AL, **Kamga HLF**, Nsagha SM, Assob JCN, Wiysonge CS, Tabah EN and Njamnshi AK (2011). Knowledge and practices relating to malaria in a semi-urban area of Cameroon: choices and sources of antimalarials, self-treatment and resistance. *Pan African Medical Journal. Research*; 9(8)
23. Assob JCN, Njunda AL, Nsagha DS, **Kamga HLF**, Weledji PE, Che VB (2011). *Toxoplasma* antibodies amongst HIV/AIDS patients attending the University Teaching Hospital Yaoundé, in Cameroon. *African Journal of Clinical and Experimental Microbiology* 12(3): 119-123
24. Nsagha DS, , Njunda AL, **Kamga HLF**, Assob JCN, Wiysonge CS, Nsagha SM and Njamnshi AK (2011). Knowledge and practices relating to malaria in Ndu community of Cameroon: Signs and symptoms, causes and prevention. *Journal of Public Health and Epidemiology* 3(6): 294-300
25. Njunda AL, Assob JCN, Nsagha DS, **Kamga HLF**, Nde Fon P, Yugah VC (2011). Seroprevalence of *Toxoplasma gondii* infection among pregnant women in Cameroon *Journal of Public Health in Africa* 2(e24): 98-101

26. Njunda AL, Nsagha DS, Assob JCN, **Kamga HLF**, Tafili RT, Achidi EA (2011). Seroepidemiology of toxoplasmosis in pregnant women attending University Teaching Hospital in Yaounde, Cameroon. *International Journal of Health Research* 4(1): 241-247
27. Assob JCN, **Kamga HLF**, Nsagha DS, Njunda AL, Nde PF, Asongalem EA, Njouendou AJ, Sandjon B, Penlap VB (2011). Antimicrobial and toxicological activities of five medicinal plant species from Cameroon Traditional Medicine. *BMC Complementary and Alternative Medicine* 11(70): 1-11
28. **Kamga HLF**, Nsagha DS, Assob JCN, Njunda AL, Nde PF, Njem PK (2011). Prevalence of onchocerciasis in the Fundong Health District, Cameroon after 6 years of continuous community-directed treatment with ivermectin. *Pan African Medical Journal. Research* 10 (34)
29. **Kamga HLF**, Njunda AL, Assob NJC, Bi-Suh AM, Nde FP, Weledji P, Nsagha DS. (2011). Schistosomiasis in Cameroon: an assessment of community knowledge pattern. *East African Journal of Public Health*. 8(1): 25-7
30. Kwenti TE, Njouom R, Njunda AL, **Kamga HLF** (2011). Comparison of an Immunochromatographic Rapid Strip Test, ELISA and PCR in the Diagnosis of Hepatitis C in HIV Patients in Hospital Settings in Cameroon. *Clinical Medicine and Diagnostics* 1(1): 1-7
31. Njunda AL, Nsagha DS, Assob JCN, **Kamga HLF**, Palle JN, Teyim P (2011). Candidiasis in HIV and AIDS Patients Attending the Nylon Health District Hospital in Douala, Cameroon. *TAF Preventive Medicine Bulletin* 10(6): 701-706
32. Njunda AL, Assob JCN, Nsagha DS, **Kamga HLF**, Awafung MP and Weledji EP (2012). Epidemiological, clinical features and susceptibility pattern of shigellosis in the Buea Health District, Cameroon. *BioMed Central Research Notes*. 5:54
33. Enow Tanjong RA, Atashili J, **Kamga HLF**, Ikomey G, Akenji NT, Ndumbe MP (2012). Reference values of cd4-lymphocyte counts in HIV seronegative pregnant women in Buea, Cameroon. *African Journal of Clinical and Experimental Microbiology* 13(1) : 28-34
34. Weledji EP, **Kamga HLF**, Assob NJC, Nsagha DS (2012). A critical review on HIV/AIDS and wound care. *African Journal of Clinical and Experimental Microbiology* 13(2): 112-120
35. **Kamga HLF**, Assob NJC, Nsagha DS, Njunda AL, Nde Fon P and Tchape NEG (2012). Epidemiological Studies on Proteaeae Isolates from Clinical Specimens in the Laquintinie Hospital, Douala, Cameroon. *African Journal of Clinical and Experimental Microbiology* 13(2): 112-120
36. Njunda AL, Nsagha DS, Assob JCN, **Kamga HLF**, Teyim P (2012). In vitro antifungal susceptibility patterns of *Candida albicans* from HIV and AIDS patients attending the Nylon Health District Hospital in Douala, Cameroon. *Journal of Public Health in Africa*. 2(e2): 4-7
37. Njunda AL, **Kamga HLF**, Nsagha DS, Assob JCN, Kwenti TE (2012). Low Malaria Prevalence in HIV-Positive Patients in Bamenda, Cameroon. *Journal of Microbiology Research* 2(3): 56-59
38. Tchinda GG, Atashili J, Achidi EA, **Kamga HLF**, Njunda AL, Ndumbe PM (2012). Impact of Malaria on Hematological Parameters in People Living with HIV/AIDS Attending the Laquintinie Hospital in Douala, Cameroon. *PLoS ONE* 7(7): e40553
39. Njunda AL, Ewang AA, **Kamga HLF**, Nsagha DS, Assob JCN, Ndah DA, Kwenti TE (2012). Respiratory Tract Aspergillosis in the Sputum of Patients Suspected of Tuberculosis in Fako Division-Cameroon. *Journal of Microbiology Research* 2(4): 68-72

40. Nsagha DS, Bissek ACZ, Nsagha SM, Assob JCN, **Kamga HLF**, Njamnshi DM, Njunda AL, Obama MTO, Njamnshi AK (2012). The burden of orphans and vulnerable children due to HIV/AIDS in Cameroon. *The Open AIDS Journal* 6: 245-258
41. **Kamga HLF**, Assob NJC, Nsagha DS, Njunda AL, Njimoh DL (2012). A community survey on the knowledge of neglected tropical diseases in Cameroon. *International Journal of Medicine and Biomedical Research* 1(2):131-140.
42. Nsagha DS, **Kamga HLF**, Assob NJC, Njunda AL, Bello CSS, Kandakai-Olukemi YT (2012). Colonization of *streptococcus agalactiae* in the anorectum and endocervix of non-parturients in Jos, Nigeria. *African Journal of Clinical and Experimental Microbiology* 13(3): 144-149
43. Mbah AN, **Kamga FHL**, Awofolu OR, Isokpehi RD (2012). Drug Target Exploitable Structural Features of Adenylyl Cyclase Activity in *Schistosoma mansoni*. *Drug Target Insights* 6: 41–58
44. Njunda AL, Assob NJC, Nsagha DS, Nde FP, **Kamga HLF**, Njimbria CA, Kwenti TE (2012) Antibiotic susceptibility profile for salmonella in the Buea health district. *Scientific Journal of Microbiology* 1(4): 97-100
45. **Kamga HLF**, Njimoh DL, Nsagha DS, Assob NJC, Nde Fon P, Njunda AL (2012). A community survey of appreciation of Traditional Birth Attendants' services in Cameroon in the context of HIV/AIDS. *Scholarly Journal of Medicine* 2(6): 84-88
46. Nsagha DS, Njunda AL, **Kamga HLF**, Assob JCN, Bongkem EA (2012) HIV-1/HIV-2 co-infection among voluntary counselling and testing subjects at a regional hospital in Cameroon. *African Health Sciences* 12 ( 3): 276-281
