

CURRICULUM VITAE

I IDENTIFICATION

Surname: HABUMUGISHA

First name: Jean de Dieu

Birthplace: Zoko – Buyoga – Byumba

Date of birth: 01/04/1965

Nationality: Rwandan

Marital status: Married

E-mail: hjeado@foad-eod.net

II DOMAIN OF ACTIVITY

- Integrated pisciculture/fish-farming
- Exploitation of the irrigated marshes
- Management of the irrigated perimeters or the arranged marshes
- Adjustment and durable management of the natural resources

III EDUCATION BACKGROUND AND ACADEMIC QUALIFICATIONS

- 1996-2000: Technical University of State of Astrakhan (Russia)
 - * Specialty: Nature conservation and rational exploitation of the natural resources (watery Bio – Resources)
 - Qualification: Ecologist
 - Diploma: Doctor in Philosophy (Ph. D) in Biology
- 1988-1994: Technical Institute of State of Astrakhan (Russia)
 - Specialty: Bio – Watery resources and aquaculture
 - Qualification: Ichthyologist – Pisciculturist
 - Diploma: Master's in Biology

1981- 1987: Agricultural and Forest School of Nyamishaba (Kibuye)

Option: Agricultural – Veterinary surgeon

- Diploma: A2 agronomist

IV THESES

Doctoral thesis:

Influence of epibrassinolide phytohormone (Epina) for survival and the control of fish sturgeons and carps under unfavorable ecological conditions for the period of the post embryonic development // Publisher UTEA, 2000

Thesis Master's:

Breeding of alevins and influence of the biotic factors on its effectiveness in the eclosery/hatching of Tchagan// Astrakhan, 1994

V. EXPERIENCE

*** Training and participation in workshops**

- Certificate of participation in a training course in Managing educational budgets and recourses in higher education '. //Kigali 2003
- Workshop on teaching in postsecondary Institutions// Butare 2003
- Certificate of Training in 'Methodology of scientific research'. Butare 2003
- Diploma of exposé to the first international conference of students of the association of Universities of countries of the Caspian Sea// Astrakhan 1998.
- Diploma of honor for active participation in work of the whole Russia of the Company of nature conservation// Astrakhan 1994.

*** Working Experience**

- July 2011 until now: Dean of the Faculty of Social Sciences, Management and Development Studies (IPB)
- July 2004-July 2011: Vice Rector Academic of Institut Polytechnique de Byumba (IPB)
- February 2005 - 2007 (December): Part-time lecturer in the Faculty of Agronomy (UNR– Butare): Course of Zoology in 2nd Year and Systems of Agricultural productions in 3rd Year with the rank of Senior Lecturer.
- October 2006 – Mars 2007: Feasibility study and elaboration of the documents of invitation to tender (CAD) of agricultural and breeding (*agri-élevage*) micro- projects of the 21 Sectors of Gicumbi (Consultant)

- November-December, 2007: Feasibility study and elaboration of documents of invitation to tender (CAD) of agricultural and breeding (*agro-pastoral*) Micro-projects in the District of Rulindo (Consultant).
- February 2004–February, 2005: Full-time teacher in the Faculty of Agronomy (UNR – Butare)
- July 2001–February, 2004: Vice Dean of the Faculty of Agronomy (UNR– Butare)
- October 2000 - June 2001: Full-time lecturer in the Faculty of Agronomy (UNR – Butare) and Director of the University Piscicultural Station of Rwasave
- 1996–2000: Principal Pisciculturist at the Technical University of State of Astrakhan (Russia)
- 1987-1988: Agronomist teaching at Primary Teacher Training School of ZAZA (Kibungo).

VII SUPERVISION OF RESEARCH PROJECT

Bachelor's Degree research projects

1. Contribution à la promotion de l'apiculture dans la province de Gikongoro. Cas du District de Mudasomwa. Pour l'obtention du grade de Licence UNR, Septembre, 2006
2. Manishimwe Albert : Problématique de l'Intensification d'élevage des bovins laitiers dans la province du Sud. Cas du District de Huye. Pour l'obtention du grade de Licence UNR, Décembre, 2010
3. Ndahimana Samuel : Contribution à l'étude du développement de l'apiculture moderne. Cas la Reserve Naturelle de Mukura (RNM). Pour l'obtention du grade de Licence UNR, Septembre, 2007
4. Mukakayumba Uwamahoro Annonce : Contribution des terraces radicales à l'augmentation de la production agricole dans le District de Gicumbi. Cas du Secteur de Kaniga. Pour l'obtention du grade de Licence INATEK, mars, 2009

5. Umunezero Marie Fleur Léoncie : La Contribution des Coopératives Agricoles dans le Développement durable de Gicumbi. Cas du Secteur de Byumba. Pour l'obtention du grade de Licence IPB, Mars, 2010
6. Muhongwanseko Scholastique : Impact des Coopératives des Centres de Collecte de Lait sur la Production et la Commercialisation dans le District de Gicumbi. Cas des Secteurs de Byumba et Kageyo. Pour l'obtention du grade de Licence IPB, Mars, 2010
7. Umuhzoza Adelin : Impact du Programme d'Intensification de la Culture de Blé dans le Développement du District de Gicumbi. Cas des Secteurs de Cyumba, Manyagiro, et Shangasha. Pour l'obtention du grade de Licence IPB, Mars, 2010
8. Nyirandimubanzi Marie Claire : Contribution de la Cuniculture dans le développement familial du District de Gicumbi, Cas du Secteur de Byumba , Pour l'obtention du grade de Licence IPB, Juin, 2010
9. Uzayisenga Claudine : Effet de la Densité de Plantation sur le rendement de la Pomme de terre. Cas du Secteur de Byumba période 2009-2010. Pour l'obtention du grade de Licence IPB, Juillet , 2010

Master's Degree theses

1. Akimanizanye Emmanuel : Rôle des *Coopératives de Collecte de Lait dans la Gestion des Prix du lait au Rwanda.Cas d'IAKIB du District de Gicumbi (2006-2009)*. Pour l'obtention du grade de Maîtrise CEPROMEC, Avril, 2010
2. Butera Ildéphonse : Analyse de la contribution du programme « une vache par famille pauvre » à contribution du développement socio économique de la population du milieu rural au Rwanda, cas du district de Gicumbi. Pour l'obtention du grade de Maîtrise CEPROMEC, Avril, 2010
3. Matabaro Alexis : Partenariat Public et privé dans le Distict de Rubavu. Période d'étude : 2007- 2009. Pour l'obtention du grade de Maîtrise CEPROMEC, Avril, 2010
4. Bambazimana Félicité : The role of modern settlement (villages) in poverty reduction in Rwanda. Case study of Rukomo Sector of Gicumbi District (1996 – 2012). Submitted for the Award of a Master's degree in Rural Management. Annamalai University, December, 2013.
5. Hakizimana Danny : The role of Agricultural Cooperatives to to rural Development in Rwanda. Case study of Agricultural Cooperatives of UNICOOPAGI, in Nyamagabe District (2008 – 2013). Submitted for the Award of a Master's degree of Arts in Rural Management. Annamalai University, December, 2013.
